

## **DECEMBER RALLY 2006**

At the December Rally riders enjoyed a navigation ride. The ride was fun and a great way to finish the pony club year. Thank you to the group of parents from our club and members from MARC for organising the ride. Riders participated in either a 5km or 9km ride. The winners on the day were the Diva's. This team included Sam, Deb and Liz. Big thanks to the canteen workers who put on a great lunch for us all. Also thank you to our riding members who helped with the washing up. This was fantastic.

**100% attendance medallions were presented at the rally.**

**End of Year Awards were presented. Well done to the winning riders.**
